

2020 IEEE International Conference on Manipulation, Manufacturing and Measurement on the Nanoscale

3-7 August 2020, Xi'an, China

Announcement of IEEE 3M-NANO 2020

Dear Colleagues/Friends,

*Since the global evolving situation with the COVID-19 pandemic is unclear, the organizing committee has made a decision that the 2020 IEEE International Conference on Manipulation, Manufacturing and Measurement on the Nanoscale (IEEE 3M-NANO 2020, 3-7 August 2020, Xi'an, China) has been postponed to **2-6 August 2021** in the same city.*

Thank you for all your support and contribution to IEEE 3M-NANO 2020. We do hope you are well and look forward to working with you on IEEE 3M-NANO 2021 and meeting you in Xi'an next year.

Wish you and your family all the best.

*Best regards,
IEEE 3M-NANO 2020 Organizing Committee*
